FRIENDSHIPS
ADVENTURES
A BRIGHTER
TOMORROW

For those who know Thornton Creek, the feeling is familiar: warm mornings, peaceful lake views, friendly conversations and days that unfold at their own pace.

For those discovering it for the first time, Thornton Creek is a private Class A motorcoach community in Arcadia, Florida, set across 58 acres with six lakes and 99 individually owned properties.

One of its most distinctive advantages is the neighboring golf course, located within walking distance of the resort. But what truly defines Thornton Creek is its warm and welcoming community—a place where neighbors become friends and feeling connected comes naturally.

*“The setting draws you in.
The community makes you
want to stay.”*
